TO: ILWU-PMA PENSION PLAN PARTICIPANTS

Enclosed is your Participant Status Report (PSR) showing the status of each year from your start in the industry through 2021 and the amount of your accrued monthly benefit through 2021.

Your PSR indicates your total credited years of service under the Pension Plan and your vested status as of the end of the 2021 Payroll Year. Effective January 1, 1999, a Participant is vested in his or her accrued benefit upon attaining five credited Years of Service (or Normal Retirement Age, if earlier), provided that s/he is credited with an hour of service in the 1999 Payroll Year or later.

The pension accrual rate for Participants who retire with a Separation Date on or after July 1, 2014 is \$ 215.00 per month per year for all qualifying years through 1993. Beginning in 1994, 1300 hours (including worked and credited hours) are required for a \$215.00 benefit. A Benefit Accrual of \$215.00 is shown on the PSR for all qualifying years through 1993 and for any year after 1993 with 1300 or more hours. The calculation of pro-rated benefits for years after 1993 of 800 - 1299 hours is shown on the PSR, using a fraction equal to the number of hours worked and/or credited in a year divided by 1300.

Your Total Accrued Monthly Benefit is the sum of the Benefit Accruals in your highest valued qualifying years up to a maximum of 37 years. If this PSR includes more than 37 years, the years excluded from the calculation are designated with an asterisk (*). The maximum monthly basic pension payable is \$7,955.00 based on 37 qualifying years at the \$215.00 rate.

Information about Survivor Benefits: A Survivor Pension is payable to your qualified Surviving Spouse as defined under the Pension Plan in accordance with federal law. If you are a vested active Participant at your death, a Survivor Pension is payable to the person who is legally married to you on the date of your death and for at least a one-year period prior to your death. If your death occurs after you retire, a Survivor Pension is payable to the person who is legally married to you on your Pension Commencement Date and for at least one year ending on that date; or, if the marriage occurs less than one year before your Pension Commencement Date, a Survivor Pension is payable to the person who is legally married to you on your Pension Commencement Date and continuously for a one-year period ending on or before the date of your death. Subsequent divorce does not disqualify the person who meets the definition of a Surviving Spouse from receiving a Survivor Pension in the event of your death as a Pensioner. If there is no qualified Surviving Spouse, a Child Survivor Pension is payable to the Dependent Child(ren) of a Pensioner or vested active Participant, subject to the terms and conditions of the Pension Plan.
