Subject: Blue Shield of California and Sutter Health

The network relationship between Blue Shield of California and Sutter Health terminated January 1, 2015, as they were unable to reach an agreement on new contract terms before the end of the previous agreement. Negotiations are ongoing. In the meantime, Blue Shield will continue to offer in-network level of benefits until June 30, 2015 to members who receive care from Sutter Health providers. We will continue to update you with any further changes that may take place regarding Sutter Health in Northern California.
