My signature certifies that the above information is correct based on the Welfare Plan's definitions of Dependent Spouse and Dependent Child found on the reverse side of this form. The dependents I've listed in Section 5 above meet the applicable Welfare Plan's definitions of Dependent Spouse and Dependent Child.

Dependent Spouse – A person who is married to a Longshoreman, Pensioner, or Social Security Retiree and who is so identified on both a valid marriage certificate (or other appropriate evidence of marriage to the extent a marriage certificate is not otherwise available or applicable under the laws of the jurisdiction in which the marriage was contracted) and the form provided by the Trustees for enrollment of dependents that has been most recently executed by such Longshoreman, Pensioner, or Social Security Retiree; provided, that a marriage shall be deemed valid under the Plan if it is considered valid under the laws of the jurisdiction in which it was contracted. The Trustees shall review the list of enrolled Dependent Spouses from time to time for the purpose of verifying Eligibility.

Dependent Child - Effective July 1, 2011, the Welfare Plan definition of "Dependent Child" is being changed because of the new health reform law. The new definition is: A person (1) who is identified by the Active Employee or Pensioner on the form provided by the Trustees for the enrollment of dependents (which form has been filed with the Trustees), (2) who is within one of the following classes: (a) a natural child of an Active Employee or Pensioner, (b) a legally adopted child of an Active Employee or Pensioner, (c) a stepchild or foster child of an Active Employee or Pensioner, or (d) a child who has or had a parent/child relationship with an Active Employee or Pensioner if such child's natural parent is not in fact supporting such child, (3) who does not have employment-based group health coverage available to him or her other than through the parent and has attained age 19, or 23 if a full-time student, and (4) who either: (i) has not attained 26 years of age or (ii) is, and continues to be, upon attaining age 26, mentally or physically incapacitated so as to be incapable of self-sustaining employment.
